SENIORS

The Time We Were Seniors

The year 1975 was a time of handling responsibilities, solving problems, and sharing good times.

Responsibilities played a major role in our lives as we planned homecomings, dances, and carried out the duties of leading the underclassmen.

As the year went by, we were all faced with the decision of planning our futures. Mrs. Seachrist, our guidance counselor, helped us find solutions to the many problems we had.

The memories and dreams that filled our senior year will linger in our minds forever. As we go our separate ways, we will always remember our senior year as "the time of our lives."

A Time for Using Skills

The Senior O.W.E. program gained twelve new members this year. Class time consisted of doing reports, mechanical drawings and drafting. The importance of good work habits, cooperative attitudes and promptness was constantly stressed.

Some of the companies the boys worked for were Fairfield Auto Parts, Chaplow Auto Body, Midway Motors, Eastwood Chrysler-Plymouth, Leetonia Sanitation, Sohio Service, The Dilling Farm, Glenmoor Value King, The Knizat Farm, Corey Service, The Unkefer Farm and Columbiana Buick Olds.

The Occupational Work Experience helped the seniors apply the principles and skills they acquired during their high school years at C.H.S.

UNDERCLASSMEN

The Time We Were Juniors

As we entered CHS as Juniors, we had hard work and a lot of effort to look forward to. We showed our talents off by presenting the Seniors with the 1975 Prom, "Fantasia".

However, in order to build our prom, we had to raise sufficient funds through continuous work. By selling refreshments at home basketball games; a tradition of Juniors, and cleaning the streets at the Johnny Appleseed Festival, we earned enough money to put our ideas into action. We also presented our community with a suspenseful play, "All Because of Agatha".

Our working together on the prom and play made us realize how close we had become, the time we were Juniors.

A Time for Learning New Skills

The Occupational Work Experience Program held much interest for new members. In the junior O.W.E. program the boys attend school half a day, then leave to finish out the day working at their various jobs.

Some of the companies involved in this program were: Z-L Lumber, Conkle Dairy, Theron's Country Store, United Canning Corp., Heck's Restaurant and Roger's Feed Mill.

The Time We Were Sophomores

Many events took place our Sophomore year. By selling T-shirts, a tradition for Sophomores, we raised more money for our prom fund. A lot of time, hard work, and willpower went into this task.

Receiving our class rings made nearly every sophomore feel important. By ordering them in the fall of this year, we were able to receive them in March.

Cramming for tests, competing for the spirit stick, and attending school activities was all a part of our Sophomore year at C.H.S.

The Time We Were Freshmen

The time we were freshmen we learned to eat the food in the school cafeteria. The upperclassmen shoved us into lockers, mugged us in the hall, and told us what to do. It was a year of new beginnings, new understandings, and finding new friends.

We selected our class motto, "Look Backward With Pride and Forward With Hope." We chose blue and silver as our class colors and a blue tinted carnation for our class flower.

The highlight of our first year at C.H.S. was getting into the high school routine.

SPORTS

Football Highlights

On September 6, 1974 the power-packed Rebels charged onto the field, backed by cheering fans, to meet Southern Local.

A 12-12 tie opened the Rebels '74 season, with both teams battling with endless determination.

The Black and Gold experienced a great offensive year, breaking three previous offensive records and finishing with a 4-4-1 record.

In Coach Baltutnis' opinion, since it was our first year to play Leetonia, beating them has probably made them our biggest rival.

The Reserve football team wrapped up their schedule with the only undefeated season of any kind during the history of this school.

The Reserves had a good offensive and defensive season, giving up only two defensive touchdowns. Coach Smith thought their victory over Salem, which is a AAA school, was the biggest highlight of the season.

Homecoming Highlights

Saturday night's Homecoming game against South Range was the highlight of week long festivities. During the week, the student body participated in Slave and Rebel Days. The day before the game, students took part in a pep rally and bonfire. The entire school cheered the Rebels on to a victory over the South Range Raiders.

Carolyn Williams became the 1974 Football Homecoming Queen. She was crowned during half time ceremonies by last year's queen, Harriett Hillier.

Carolyn and each member of her court gave speeches thanking the players and each class for selecting them to the Homecoming Court.

Following the game there was a crowning and dance in the Multi-Purpose Room where music was provided by "Justice".

Golf Becomes Fall Sport

Crestview's golf team, under the direction of our new coach, Rod Truman, experienced a season of strengthening and rebuilding. The golf team played their matches in the fall this year due to a state law made by the Ohio High School Athletic Association. Coach Truman stated that the major accomplishment of the season was the improvement of the golfers. The highlight of the season was when Rick Firestone broke his own record, shooting a 36.

Rick Firestone broke two school records and was runner-up in the Sectional.

Rebel Highlights

The Varsity's league record this year was 10-5, with the overall record being 11-8. This ended the season with a third place league standing.

The best game of the year was beating Springfield Jefferson at home. This was the first year for playing them and through a team effort, several school records were broken.

The biggest win this year was over Springfield Local, a team we haven't beaten in 16 years of competition.

Steve Neiheisel broke the school record with 43 points per game, with Bob Hoff breaking another with 10 assists.

Coach Truman questions the ref's call.

Victorious Homecoming

When Joan Garwood was younger she had a dream she had been chosen Homecoming Queen. On January 18, her dream came to life when she was crowned 1975 Basketball Homecoming Queen.

At halftime of the Varsity game Mary Lynne Davis, the retiring queen, crowned Joan and presented her with beautiful roses and the traditional homecoming necklace. Both Joan and Mary Lynne gave touching speeches and wished the team the best of luck in the second half.

Joan's dream was complete as the Rebels defeated Southern Local for the second Homecoming victory this year.

Following the game, a dance was held in the multi-purpose room with music provided by "Galaxy".

Track '75

Under the direction of the new head Coach, Andris Balputnis, the Rebel track team did an outstanding job both individually and together as a team. The final season record of 3 wins 5 losses doesn't sound like a successful season, but it was. Compared to previous seasons, this year's team came a long way.

Quite a few new records were set this year. Jim Morris set the Shot Put Record with a 46'2½" throw, Tim Louk broke the previous 880 record with a time of 2.09:5 and Gary Graham set a new school record in the 440 with a 52.5 time.

Gary not only did well in the 440, he also had an outstanding season in both the High and Low Hurdles. He placed first in both the High and Low Hurdles at the County Meet, where he tied the previous 15.6 County Record in the Highs and set a new County Record in the Low's. The record-breaking time was 21.2. Gary also placed 2nd in the Section Meet in the High Hurdles. Then at the District Meet he qualified for the 1975 State Meet in the High Hurdles.

Dan Mercer proved his abilities at the Stanton Invitational when he leaped 19'11" to capture 1st place in the Long Jump.

At the end of the season the leading scorers for the year were Gary Graham with 205½ pts., and Dwain Graham with 107¼ pts.

Gary Graham ran the High Hurdles at the State Class A Meet.

GAA . . . A Record Breaking Year

The impressive records along with the 20 new records set made for a very exciting year in Girls Athletics. The volleyball team started the year off right with an 11-2 record. Basketball rolled right into place with a record of 11-5 and fourth place in tournament action.

The 3-3 track record may not have sounded too impressive, but there were many outstanding track performances this year. Eight girls qualified at the Sectional Meet for District where Becky Carlson qualified in the High Jump and Virginia Simmons in the 440, to compete in the first annual Womens State Track Meet.

The highlight of the awards banquet at Timberlanes was when Bonnie Enterline was awarded the Billy Jean King Award. Susan Papania, Peggy Papania, Linda Sargent, and Bev White were also awarded the most outstanding Senior, Junior, Sophomore, and Freshman G.A.A. awards.

Looking back on the 1974-1975 year, it was an exciting year which left a promising future, since there were only 6 seniors who graduated. But all of the success the G.A.A. has had in the past year could have never happened without all of the long hours of dedication coach Judi Gregory put in.

"Alright . . . OK . . . GAA!"

This year the Girls Athletic Association had several good all-around seasons. They participated, under the direction of Coach Gregory, in interscholastic volleyball, basketball, and track competitions. The volleyball season showed a successful 11-2 record, while the varsity basketball team placed fourth in the annual Lion's Invitational Tournament. This ended their season with a 11-5 record. GAA also had a very good track season to finish up their year.

When Coach Gregory says, "go" . . . GO!!

Hi-Y Tri-Hi-Y

The Tri-Hi-Y consisting of Junior and Senior members began the year by having different service projects for each month. Some of the service projects included, visiting the county home, donating money to UNICEF, serving at a banquet and giving a subscription for magazines to the children's home in East Palestine. This year's Tri-Hi-Y teams did well in bowling and volleyball. Two members were sent to a weekend camp, sponsored by the YMCA where they learned about new moneymaking projects.

Hi-Y members collected for Muscular Dystrophy and participated in swims at the YMCA. They also had a good season in interscholastic basketball. Both Tri-Hi-Y and, Hi-Y officers attended the monthly council dinners at Heck's restaurant. The members of the two clubs also attended the overnigher at the YMCA in Youngstown.

Key Club

The theme of Key Club International this year was "Caring, Our Way of Life." Keeping this theme in mind, some of the various service projects undertaken by the Key Club were: cleaning the football field at the end of the season, keeping the bulletin board up-to-date, and giving baskets of food to needy families at Christmas time.

Key Club members served at the Kiwanis Lady's Night Dinner and also sponsored Parent's Appreciation Night, and the Student Leaders' Banquet.

Mr. Yokley, the Kiwanis advisor, and Mr. Urbschat, the faculty advisor, were major forces in seeing that the members fulfilled their responsibilities.

In its tenth year at Crestview High School, the Key Club was a success in its service to others.

Mexico 75'ers and Spanish Club

The Mexico 75'ers are students enrolled in Spanish classes who are taking a guided tour through Mexico in July, 1975. The members have been very busy selling candy and candles, holding car washes and sponsoring dances to earn money for their trip south of the border.

This year, members of the Spanish Club had an opportunity to meet and talk with Javier Cano, a Mexican foreign exchange student attending Columbiana High School. Javier came to several meetings where he told members about the people and life of Mexico.

Math-Science Club

Under Miss Cook's advisorship, Crestview's 1974-1975 Math-Science Club had a year of learning as well as fun. Everyone worked on the service project of beginning a math lab for use in our school. They made puzzles, posters, and math card games that range from simple arithmetic to advanced mathematics.

With geology in mind, the club took two field trips. In the autumn they explored the natural boulder formations and picnicked at Nelson's Ledges, which is near Hiram, Ohio. Spring took them to the Adamas Gem and Lapidary Shop in Boardman, where they were given a guided tour of the rock shop and its museum of ores, fossils, crystals, gems, and carvings.

The Math-Science Club wound up their year with outdoor activities and a picnic.

Joe and Bruce concentrate on their next move.

The chess tournament finalists were Randy Betke, Joe Thomas, and Bruce McCall. Bruce eventually became chess champion.

Chess Club

Chess Club officially became a constitutional part of the Math-Science Club. Bruce McCall won the annual inter-school chess tournament and had his name added to the list of victors on the chess trophy. Both he and Randy Betke, who earned second place, received a small trophy.

The four-man CHS chess team won with a clean sweep in their first match of the season against McDonald here. They then journeyed to play Columbiana and to McDonald for a rematch.

"R" Troop

The main purpose of "R" Troop is to promote school spirit and enthusiasm among the student body.

By sponsoring a spirit bus to the away football and basketball games, more Rebel fans were able to cheer the teams onto victory.

Another one of their duties was to see that the gym and halls were full of colorful signs during the football and basketball seasons.

"R" Troop organized the annual Football Parents' Night. For the first time, club members also sponsored a Basketball Parents' Night.

"R" Troop teamed up with the cheerleaders to support and follow the teams to many victories.

Media Aides Club

This year's Media Aides Club members helped many students find information they needed from the library. However, helping students wasn't their only function.

On November 12, the Media Aides went out in our community and collected for Muscular Dystrophy. In February, these same members helped the Tri-Hi-Y club serve a community banquet at the Crestview Elementary building.

Recreation activities included a hayride and weiner roast at the home of their advisor, Miss Coppock and their annual Christmas party and gift exchange.

The 1975 Home Economics club was very creative this year. Along with taking baked goods to the Rogers Honor Farm, they compiled and sold cookbooks. Much of their time was spent helping others.

For their group enjoyment they had several parties; such as a barreling-pizza party, a Halloween party, and a skating party.

Band Plays Important Part in School Spirit

One of the main contributors to school spirit was the presence of the 1974-75 marching band. In addition to the marching band several band members displayed their school spirit by participating in the Pep Band which performed at the basketball games.

In training for these various activities the band, along with Mr. Lapinski, worked hard at band camp held at Thiel College in August.

The marching band also participated in such parades as the Christmas parade in East Palestine and the Memorial Day parade in Columbiana.

This year the concert band entertained us with a Christmas concert and a Spring concert in April.

As a fund raising project the band sold Florida citrus fruit at Christmastime.

To Sing Was Our Thing

The Crestview High School Chorus participated in many musical programs and fund raising projects this year. Members of the chorus sold candy bars in order to raise money for the annual Sadie Hawkins Dance.

The chorus took part in collecting for Tag Day, sponsored by the Music Boosters. During the Christmas season chorus members brightened the County Home with smiling faces and cheerful songs. The annual Christmas concert was highlighted when the CHS alumni joined the chorus in singing Silent Night.

Many chorus members participated in the County Music Festival at East Liverpool and the District Solo and Ensemble Competition at Marlinton High School. The senior quartet consisting of Kate Fristik, Bonnie Seidner, John Beilhart, and Joe Thomas received medals for their state rating in district competition.

Senior Cheerleaders

This year again our cheerleaders spent countless hours at their job of instilling Rebel pride and school spirit among the students at CHS.

Before the school year started, our girls attended cheerleading camp at Ashland College for five days. Returning with new cheers and ideas, our squads also brought home many superior and excellent ribbons for outstanding performances.

At homecoming time cheerleaders served the football and basketball athletes their lunches. Throughout the year they decorated the lockers of all the players.

Performing skits at pep assemblies, working on pom-pom routines, and working toward good sportsmanship at games were only a few of the many tasks carried out by the cheerleaders. Their efforts were rewarded by a successful athletic year at CHS.

Cheerleaders closed out their year with the annual performance of their impressive parachute routine.

ACTIVITIES

All Because of Agatha

STANDING: Martha Scheel (Student Director), Miss Janet Kurlinski (Director), Mike Davis (Stage Director), Beth McKellar (Ethel), Dawn Schwer (Mrs. Boggs), Jennifer White (Agatha Forbes), Becky

Carlson (Joan O'Hara), Dan Mercer (Duff O'Hara). SITTING: Steve Grappy (Mr. Van Buren), Bernice Bush (Madame La Salda), Ken Herstine (Dr. Randolph), Jean Fuhrman (Aunt Thelma).

The junior class' first drama attempt was a great success when they presented the comedy, "All Because of Agatha." The play was under the direction of Miss Janet Kurlinski.

A young cartoonist, Duff O'Hara, and his wife, Joan, purchased a house even though they knew the house got yearly visits from a destructive witch. On the night of November 14 as predicted, Agatha, the witch, returned, finding she could not rid the house of the O'Haras. Joan, having a passion for the occult, gave a party in the witch's honor.

After several attempts to banish Agatha, the O'Haras found an old Latin phrase which broke Agatha's spell and made her vanish forever.

Who's Agatha Forbes?

Jean got a little carried away.

A little nip pulled Miss Kurlinski through.

Dan signs the contract for the house.

Maybe Dave should be focusing on that "ham" in the background!

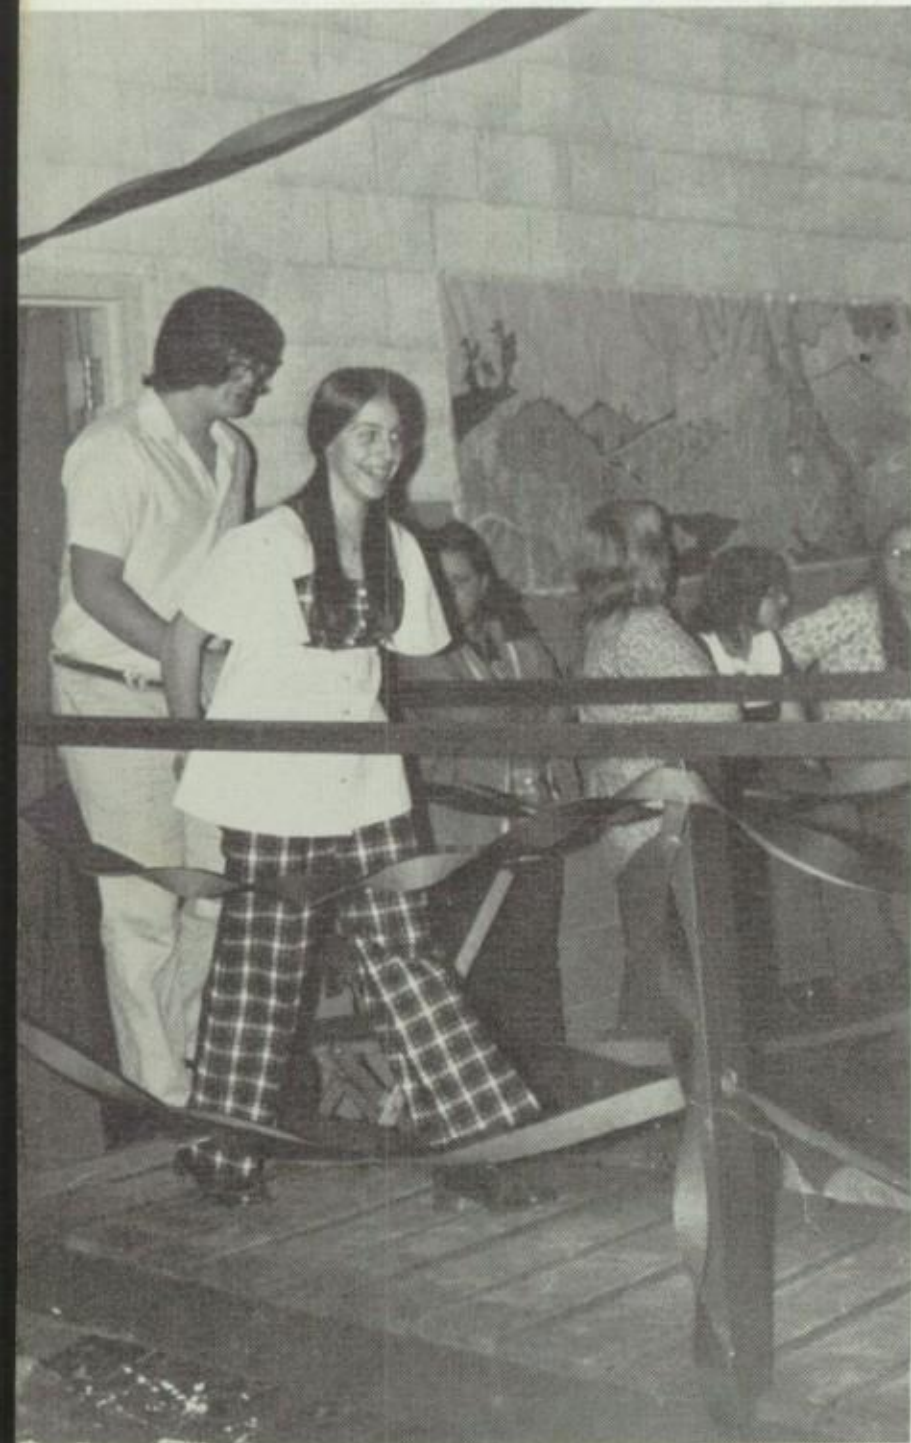

"Oh Becky, what pearly white teeth you have!"

Do you mean "I" could talk to Agatha Forges!

Sadie Hawkins Dance

Sarah and Jim enter the chorus sponsored dance by way of "Moonshine Bridge."

Sue dances to the music of Freedom, a local rock group.

Lance and Margaret try to capture the atmosphere of "Moonshine Bridge," the theme of this year's Sadie Hawkins Dance.

I'm gonna boogie tonight.

Peek-a-boo, I see you!

... and you call this excitement?

Web of Murder

The spring play was presented to the public on the evenings of April 3 and 4.

The play takes place in the mansion of Minerva Osterman, who has called her family together to read her will before she dies.

She predicts that she and three others will die over the weekend.

At one point Minerva pretends to be dead to find out who is worthy of her estate.

In the end her prediction comes true. She and three other characters are murdered. The culprit turns out to be Nora, the housekeeper, who was actually Minerva's sister.

Lynda Stoffer spoke on scholarship at the induction.

"Fantasia '75"

The Fantasy filled 1975 Junior-Senior Prom was truly a success. The murals and figurines brought back childhood fantasies and memories to all who attended.

The moment everyone awaited was 10:30 when Carolyn Williams and Dan Wright were crowned Queen and King by Prince Kevin Berger and Princess Robin Cope.

During the Royal Dance two hundred large Mickey Mouse balloons were released from the ceiling. Everyone enjoyed dancing with the balloons to the music provided by "Grinder."

The eight Sophomore servers were dressed in Mickey and Minnie Mouse outfits as they served snow cones, popcorn, cotton candy and hot dogs to all the couples at the Prom.

Co-Chairmen, Jennifer White and Dan Mercer worked closely with Advisor Miss Humphries and the rest of the Junior Class to organize and present a very beautiful and exciting Prom.

One more time Mike and you're going to get smacked with this balloon.

ROYAL COURT: Rusty Rocman and Penny Brown, Crown Bearers; Robin Cope and Kevin Berger, Princess and Prince; Carolyn Williams and Dan Wright, Queen and King.

Graduation

On Sunday evening, June 1, 1975, the Senior class of CHS graduated. For the first time in the school's history there were three co-valedictorians: Joan Garwood, Bonnie Seidner, and Karen Whittenberger. At graduation they all spoke on the subject "Count Our Blessings." John Beilhart gave devotions and our class president, Dan Wright, presented Mrs. Seachrist a small gift to show our appreciation for all the help she had given us.

Do you mean I actually graduated?

All eyes are on the graduates.

The Crest

During the 1974-1975 school year, our three editors, our advisor, and the entire yearbook staff put in unlimited hours on the fourteenth edition of the Crest.

An attempt to show all the facets of a student's life has been made. Everyone has been shown in a way that we believe will be informative and interesting. We have tried to illustrate all the fine points which have made our school a success this year.

Our purpose in presenting the 1975 Crest, as we begin to realize the value of our education, is to help us remember in the years to come the people, times, and events that have made this year the "time of our lives."

EDITORS: Jeannette Moore, Carolyn Hartman, and Karen Whittenberger.

ADVISOR: Mrs. Carol Ann Frank.

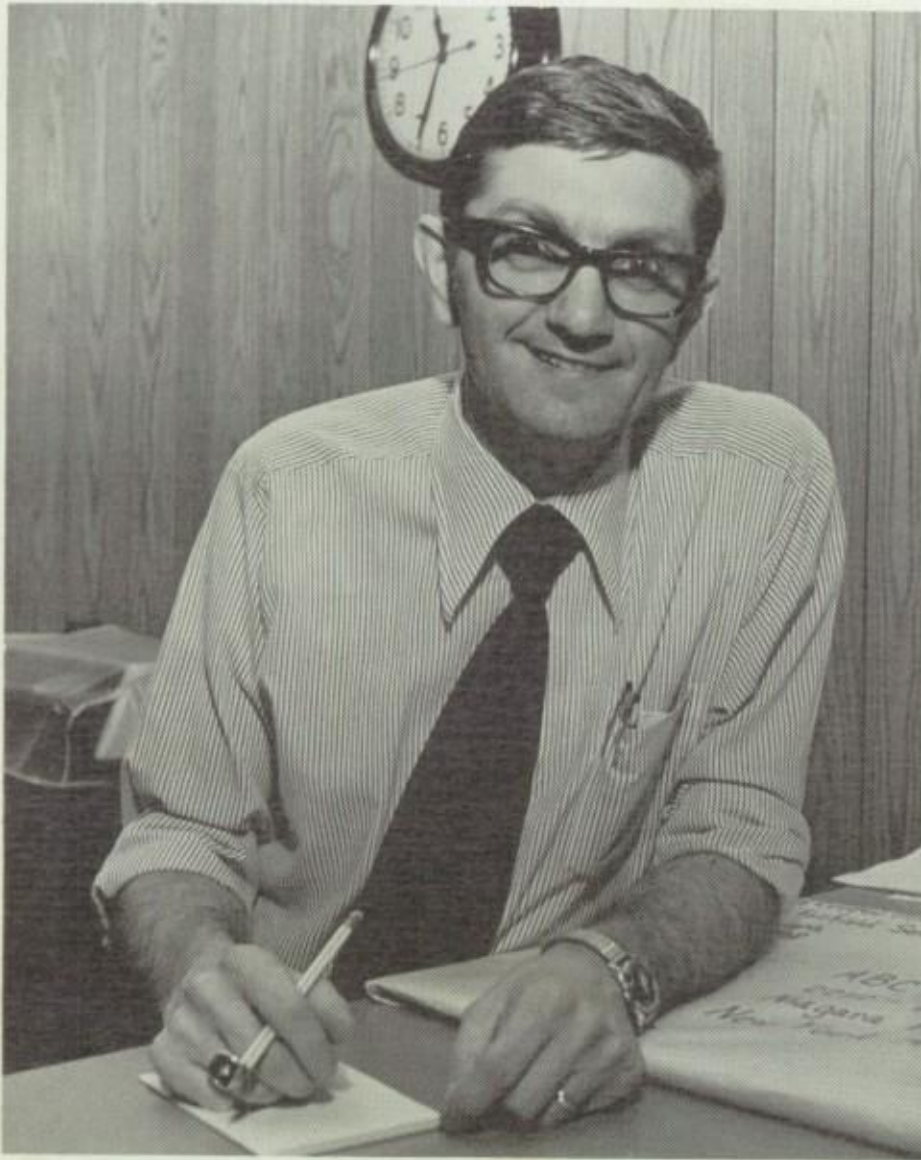

Mr. Nell Baldelli spent many hours trying to capture life as it was at Crestview Local High School.

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity ☐ The yearbook provides a lasting memento of the year's accomplishments ☐ The diploma is a lifelong record of scholastic success ☐ The graduation announcement heralds this achievement ☐ Awards recognize academic and athletic leadership.
